

Jayawant Shikshan Prasarak Mandal's  
**JSPM Narhe Technical Campus**

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist.: Pune – 411041

Phone : +91 20 2460 8700, 701, 702 Email : director@jspmntc.edu.in Web : www.jspmntc.edu.in

Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

To,

**The Coordinator,**

**NAAC, Bengaluru.**

**Subject:** Institution obtains feedback on the syllabus and its transaction at the institution from the stakeholders and Feedback process of the Institution

**Reference:** 1.4.1 and 1.4.2 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders and Feedback process of the Institution

Dear Sir/Madam,

The proofs for Institution obtains feedback on the syllabus and its transaction at the institution from the stakeholders and Feedback process of the Institution are enclosed herewith.

  
**Director**  
JSPM Narhe Technical Campus  
Narhe, Pune-41.

Enclosure-

1. Feedback form
2. Feedback Analysis
3. Feedback Report
4. Action taken report

**Action Taken Report**

**Feedback from stake holder**

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

**1. Feedback from Alumni**

**Recommendations from alumni**

The alumni has given a feedback that curriculum require more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

**Line of Action**

1. Planning of industry visit and guest lectures
2. Planning of conduction of skill enhancement program to students
3. Competitive examination preparation

**2. Feedback from Employer :**

**Recommendations from Employer**

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

**Line of action:**

1. Planning of value added courses
2. Planning to provide knowledge on company specific skills required to students.

**ACADEMIC YEAR: 2020-21**

**Action Taken Report**

**Feedback from stake holder**

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

**1. Feedback from Alumni**

**Recommendations from alumni**

The alumni has given a feedback that curriculum require more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

**Line of Action**

1. Planning of industry visit and guest lectures
2. Planning of conduction of skill enhancement program to students
3. Competitive examination preparation

**2. Feedback from Employer :**

**Recommendations from Employer**

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

**Line of action:**

1. Planning of value added courses
2. Planning to provide knowledge on company specific skills required to students.

### 3. Feedback from Students:

#### Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self –motivation and also they need hands on technical skill sessions

#### Line of Action:

1. Planning of lectures from Training & Placement cell
2. Planning of counseling sessions
3. Planning of communication and employability skill development program

### 4 . Feedback from Teacher:

#### Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

#### Line of Action:

1. Planning of workshops and training sessions
2. Skill improvement training sessions and internship program
