**Brief Introduction about event :**

Yoga is the ancient way to attain physical, mental, and spiritual practice. Primarily originating in India, the word 'yoga' is derived from Sanskrit, meaning to unite. This unity signifies the ultimate union of the body with consciousness and thus attaining definitive peace.

International Yoga Day is celebrated every June 21. It aims to provide mental health fitness, physical health fitness of mind, body and soul. It also rejuvenates our body and keeps us calm. The international day of yoga was declared to make people more aware of the benefits of yoga so that they inculcate the habit of practicing yoga and give a place to this discipline in their daily life. The main objectives of the international yoga day are:

- Promote enhanced mental and physical health advantages amongst the people.
- Aware the public of Yoga's holistic advantages.
- Promote awareness among people about Yoga's natural and amazing results.
- Reduction in the rate of fatal diseases across nations.
- Growth enhancement and development together to bring peace.
- Triumph over bad mental and physical health.
- Promote healthy living habits amongst the masses.

**Application of Geoinformatics in Water Resources -25/9/2021 Time-11:00AM**

As a part of this program Department of Civil Engineering has organized “**Application of Geoinformatics in Water Resources**” on 25<sup>th</sup> Aug, 2021 at 11:00 AM.

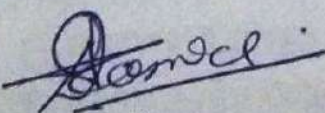

Dr.ShivajiGovindPatilguide students regardingGeographic information Systems keep data and records about water sources.Some of the information is usually as a result of processing done on data collected by GIS. They said huge amounts of data related to water resources can thus be stored for shared access with the help of GIS.

Also he discussed what are the importance of GIS , also GIS can help with the collection, storage, analysis, and visualization of key information and thereby help with the development of effective water resource programs and practices.**81** students have attended this program.

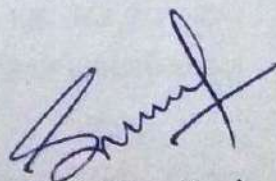

At the end Dr. SumantChaudhari (Head of Civil engineering Department) encourages students for their active participation, and also give some knowledge regarding **Geoinformatics in Water Resources**. Mr. D.A.Zamre (Faculty coordinator) of program “**Geoinformatics in Water Resources**” took efforts for the successful completion of the event.
