- Strategic Plan 2019-2024
 - Vision
 - Mission
 - Quality Policy
 - Educational Process
 - Human Resource Process
 - Governance Process
- Prospective Plan of the Institute

Over the years, the JSPM NTC has gained widespread recognition as institutions of excellence in the field of Engineering and management education. The achievements of JSPM NTC alumni in industry, academics, enterprise and other fields are notable.

An environmental friendly green campus, “JSPM Narhe Technical campus” (JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule Pune University (SPPU), Pune.

The institute being a technical campus offers UG programs (bachelor of Engineering) BE in Civil, Computer, Electronics and Telecommunication and Mechanical Engineering. PG programs, (Master of Engineering). ME are offered in computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs (Master of Business Administration) MBA and (Master in Computer Application) MCA.

New environmental Changes and challenges particularly in new millennium are forcing educational institute to revamp their strategy and action plans. Under the circumstances of change, JSPM NTC has been reviewed periodically by a board of governance of JSPM trust. A perspective plan outlining the action plans for implementing the strategy was drawn up. Subsequently as a part of planning cycle, Perspective plan has been reviewed and revised at intervals.

The broad goals of Perspective plan 2018-24 are affirmation of JSPM NTC's commitment for thirst for Engineering and Management Excellence, value based education, research innovative practices and spirit of entrepreneurship.

The Perspective plan of JSPM NTC enunciates JSPM NTC's mission.

JSPM NTC seeks to attract the best students from diverse backgrounds and offer them an excellent educational experience. It offers more flexibility and choice to the students in academic programmes, an inviting and stimulating ambience for education and research, and a rich suit of extra-and- co curricular activities. Knowledge sessions, forum/Club activities, Personality Development, Corporate social responsibility and career planning will be part of the holistic development.

Objectives 1: To develop the strong industry- institute interaction for enhancing the teaching learning process and explore the job opportunity to students.

Strategies

- To develop network with industries and institutions.
- To develop system for practicing engineering and research through training, collaborations and programs.
- Preparation of assignments, problems and project bank in association with industry and experts.
- Enhancing network with stakeholders-alumina, parents and academicians/ industry experts;
- Preparation of industry-institute cell development plan and increase number of job opportunities
- Obtain standardize ISO Certificate,
- Regularly arrange the industry visit and take the feedback from industry expert
- Setting up of incubation center
- Joint-collaborative research and development projects with the industry and research centers.
- Setting up business activity in collaboration with industry and institute.
- Objectives 2: To train and develop the faculty members to use the innovative teaching – learning methods and ICT tools
- Strategies
- Development of digital platforms for efficient and effective learning.
- Motivate the faculty members to participate in FDP/STTP training programs on teaching methodology, Object Based Education etc
- Motivate faculty members for preparing digital content
- Increasing use of tools like Moodle for assessment and evaluation
- Motivate students and faculties to complete MOOC courses
-

Objectives 3: To provide platform to students to trail and implement their innovative Ideas leading to research outcome and enterprise.

Strategies

- ✓ Train Students to become entrepreneurs & increase number of entrepreneurs.
- ✓ Motivate to Students to trail their Innovative ideas and increase number of Patents.

Founder Secretary's Message

Jayawant Shikshan Prasarak Mandal (JSPM) was established in 1998 with the objective of creating centers of excellence for education in the field of Engineering, Medical, Pharmacy, Management and Computers. Our Objective behind starting JSPM was to make Higher education available to all who are desirous of achieving it.

JSPMNTC occupies a pivotal position in Engineering and Management Education. JSPM NTC is contributing in several ways to build budding Engineers, Managers and Masters. A perfect blend of faculty, Contemporary infrastructure, strong Alumni is a perfect Combination to boost high quality Management Education. Faculty members have published number of research papers in National and International Journals. JSPM NTC is coping with Meticulous Mentoring of Postgraduate Students by well-defined GFM Process.

In our Fast Changing World it has become necessary to create a corpus fund to meet changing Needs of curriculum Delivery. The Interaction with alumni is Commendable and needs to be pursued more effectively and vigorously to realize a Substantial Corpus.

JSPM NTC has launched its Perspective Plan 2019-2024 which is laudable and I wish the Institute a great Future.

Prof. Dr. T.J. Sawant
Founder Secretary, JSPM

Director's Perspective

I am Very Happy to Share Perspective Plan 2019-2024 with all stake holders of JSPMNTC. This plan is an Outcome of Support extended by industry experts, Management of JSPMNTC. This plan was Developed in the Context of Bringing improvemental changes and enhance of quality of education at JSPMNTC.

Now, with this plan the Perspective plan of JSPMNTC are clear. These included instigation of Smart Classrooms, digital Teaching Learning, International research journal, publications, registration of Alumni Association and most importantly getting quality Certification such as ISO.

This Perspective Plan was developed in Discussion with Faculty Members and Board of Governance. The draft was then presented to Governing Body and Approved.

I wish to thank founder Secretary Prof. Dr. T. J. Sawant and Director of JSPM Dr. Ravi Joshi for Providing inputs and broader Perspective of Perspective Plan.

The Perspective Plan of JSPMNTC 2019-2024 will provide the Pathway for Achieving the Objectives of JSPM NTC.

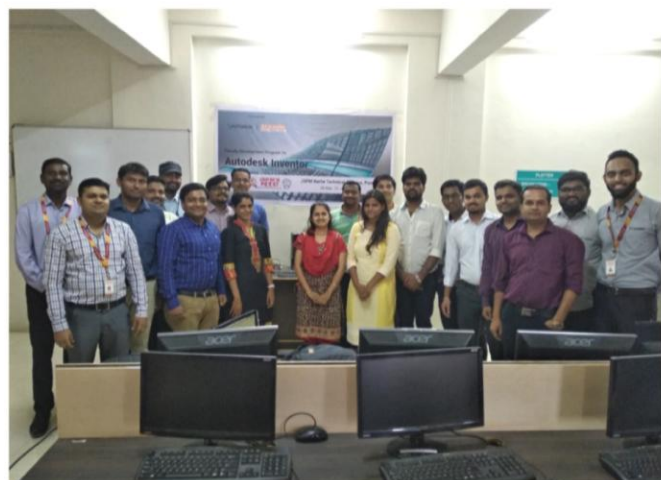

Dr. R. K. Lad
Director

About JSPM NTC

JSPM Narhe Technical Campus (JSPM NTC), Narhe, Pune-41 was established in 2011. The institutes imparting quality education in engineering and management fulfilling the need of corporate world of 21st century. The institute is approved by AICTE, affiliated to Savitribai Phule Pune University and recognized by Government of Maharashtra.

- Following are the features of institute
 - JSPM NTC has state of Art infrastructure with air conditioned classrooms and seminar halls.
 - Fully Wi-Fi enabled campus
 - Dedicated and Experienced Faculty members from Academic and Industrial background which facilitates excellence in teaching and learning and other professional activities.
 - Strong Alumni Network which are working across the globe.
 - Good placement Record.
 - Regular Industrial Visits.
 - Cells/Forums/Clubs Activities
 - Special Efforts for Slow and Advanced Learners.
 - Institutional social Responsibility and Extension Activities.

Perspective Plan 2019-24

The targets of Perspective Plan and the vision underlying the plan are presented in the following sections. The broad goals of perspective plan 2019-2024 are aligned with JSPM NTC's commitment to engineering and managerial excellence in research and education, and the plan is consequently focused on these core themes. The broad goal of perspective plan 2019-24 are affirmation of JSPM NTC's commitment for the thirst for engineering and managerial excellence, value based education, research innovative practices and spirit of entrepreneurship.
