DIRECTOR

To,

The coordinator,

NAAC, Bengaluru.

Subject: Institution obtains feedback on the syllabus and its transaction at the institution from the stakeholders and Feedback process of the Institution

Reference: 1.4.1 and 1.4.2 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders and Feedback process of the Institution

Dear Sir/Madam,

The proofs for Institution obtains feedback on the syllabus and its transaction at the institution from the stakeholders and Feedback process of the Institution are enclosed herewith.

Director
JSPM Narhe Technical Campus
Narhe, Pune-41.

Enclosure-

1. Feedback form
2. Feedback Analysis
3. Feedback Report
4. Action taken report

Action Taken Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1. Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that curriculum require more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

1. Planning of industry visit and guest lectures
2. Planning of conduction of skill enhancement program to students

2. Feedback from Employer:

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

1. Planning of value added courses
2. Planning to provide knowledge on company specific skills required to students.

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self –motivation and also they need hands on technical skill sessions

Line of Action:

1. Planning of lectures from Training & Placement cell
2. Planning of counseling sessions
3. Planning of communication and employability skill development program

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

Line of Action:

1. Planning of workshops and training sessions
2. Skill improvement training sessions and internship program

Closure Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1 Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that curriculum require more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

- 2 Planning of industry visit and guest lectures
- 3 Planning of conduction of skill enhancement program to students

Action Taken

1. Industrial visits organized in all the departments
2. Skill enhancement programs from training partners like Seventh Sense QSpider are conducted for student

2 Feedback from Employer :

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

3. Planning of value added courses
4. Planning to provide knowledge on company specific skills required to students.

Action taken :

1. Conducted seminar on CAD/CAM opportunities
2. Conducted The value added courses on Data Science and Machine Learning

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self –motivation and also they need hands on technical skill sessions

Line of Action:

4. Planning of lectures from Training & Placement cell
5. Planning of counseling sessions
6. Planning of communication and employability skill development program

Action Taken:

1. Lectures on interview techniques and personality development are arranged by training and placement cell
2. Group Discussion and Personal Interview Preparation session is conducted
3. Conducted seminar on resume writing for students

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

Line of Action:

1. Motivating teachers to complete MOOC courses
2. Skill improvement training sessions and internship program

Action Taken:

1. Faculties completed online NPTEL courses and AICTE Atal programs
2. Faculties have signed MOU with industries and also working on the sponsored projects
